COMMITTEE BEGINS CAMPAIGN WORK

MEETING OF THE REPUBLICAN EXECUTIVE COMMITTEE.

Alderman W. S. Millar is Chairman, Hon. John T. Williams Treasurer, and Charles Acker and Jacob P. Miller Secretaries—Chairman Millar Has Issued a Statement to the Republican Voters of the City Which Was Read Last Night at the Close of His Address.

In the rooms of the Central Republican club last night the campaign executive committee organized and began the preliminary work of the aggressive fight that is to be kept up until election day. Present at the meeting were all the Republican city candidates and nearly all the members of the executive committee which consists of one member from each ward in the city.

As stated in yesterday's Tribune Alderman W. S. Millar was chosen chairman of the executive committee. Hon. John T. Williams was elected treasurer and Charles Acker and Jacob P. Miller, secretaries.

In accepting the position of chairman Mr. Millar said he would leave no stone unturned in his efforts to elect the entire Republican city ticket. He favored a clean, aggressive campaign. He said, "I am not here to indulge in a political party and arguments, but to get the job done."

He asked the members of the committee and Republicans generally to give him loyal support in getting out the full Republican vote on election day. If this is done a victory is assured. The chairman concluded his remarks by reading the following appeal to the Republicans of the city:

CHAIRMAN'S APPEAL. Headquarters Republican City Committee, Price Building, No. 125 and 127 Washington Avenue, Scranton, Pa., Jan. 25, 1899. To the Republican voters of the city of Scranton, Greeting:

Having been selected chairman of the Republican executive committee, I have assumed command of the forces organized in this city for the purpose of electing a Republican city ticket.

It is my purpose to conduct a sharp and vigorous campaign from this very moment to the primaries, Jan. 31, 1899. The time has come for every Republican to stand by the principles of the grand old party.

Laying aside all personal or factional differences that may have predominated here or at the primaries, and with an eye single to Republican victory, let us elect our candidates by an overwhelming majority and again restore to the city government the honest and intelligent care and keeping of a true and tried party.

Our opponents have nominated a strong ticket, composed of honest and courteous gentlemen; every man of them worthy of our steel. It will require the united efforts of a united party to defeat them. It remains with you, the Republicans, to accomplish this. Up and at them.

These headquarters will be always open to Republicans, one of the secretaries will be constantly attending to the needs of the party, and I will be pleased to confer at all times with party workers, and receive any advice or suggestions that may be for the good and success of the party.

Very truly yours, W. S. Millar, Chairman.

CHAIRMAN'S HOURS. Chairman Millar will be at headquarters each night from 8 until 10 o'clock. Next Monday night the executive committee will hold another meeting in conjunction with the members of the general city committee, which is composed of one member from each election district in the city.

We have not yet perfected the details of the campaign work," said Chairman Millar last night. "But as I said in my remarks to the committee, I will earn and aggressive, and the necessity for the city's good, of securing a change of administration will be brought home to the people. Scranton can't afford three years more of such an administration as is now drawing to a close. That is generally conceded."

FIREMEN'S RELIEF MEETING

An Important Session Held in the Council Chambers.

The Firemen's Relief Association met last evening in the council chambers in regular session. In the absence of President Hickey, Vice-president John W. Molr presided. Among the many amendments to the constitution and by-laws submitted, an important change was made. Heretofore the association was maintained by levying an annual dues of \$10 upon each company in the department. This was changed and it was decided to take it directly from the general fund thus doing away with the annual assessment above noted. The salary of Secretary Emil Bonn was increased to \$100 per annum.

The newly elected delegates seated were: John Von Bergen and P. J. Dempsey, Niagara Hose company; Peter Robling, Jr., and Charles Wirth, Neptune Engine company; Charles Simrell and Richard Carroll, William Connell Hose company; Emil Bonn and P. J. Hickey, Century Hose company; D. J. Newman and C. R. Hine-line, Crystal Hose company; Joseph W. Hall and Henry Greenwood, Franklin Engine company; A. R. Simrell and F. W. Long, General Phinny Engine company; A. B. Holmes and Richard Williams, Columbia Hose company; John J. Costello and James J. Grier, Cumberland Hose company, and a motion prevailed that the companies unrepresented present the credentials of their newly elected delegates at the next regular meeting.

Appropriate resolutions on the death of J. J. O'Malley, who represented the Eagle Hose and Councilman E. F. Wenzel were read and adopted. The following benefit claims were ordered paid: Mrs. Mary O'Malley, \$100; benefit on death of the late James J. O'Malley, Michael May, of Excelsior Hose company, twelve days or \$24.

DIED WHILE AT WORK.

George W. Forney Expired in the Parish Breaker at Plymouth.

George W. Forney, employed as feeder at the mud screens at the Parish breaker at Plymouth, died yesterday morning about 10 o'clock while at work.

George Metal, section boss at that location of the breaker, noticed that the screens into which Forney fed coal were empty, and, upon investigating, found Forney lying on the planks near by.

Dr. D. F. Smith stated that he thought death was due to heart disease. The deceased was 57 years old, and a former resident of Danville. He is survived by his wife and six children.

MORE ELECTION BOTHER

Ex-Councilman John E. Regan Says Two Men Were Wrongfully Returned as Democratic Nominees by Mahon and Casey.

Again the Sixth ward comes to the fore with election bother that will likely require a review in court. Ex-Councilman John E. Regan, who was instrumental in securing the Democratic caucus in the First district of that ward, avers that James Hewitt, for judge and Patrick Keegan for inspector were substituted on the nomination certificate for John White and John Ryan, respectively, and that the wrong substitutions were made by Anthony Mahon and school controller John M. Casey, who served as vigilantes.

It appears the ward and district nominations were certified on the same blank. The county commissioners refused to accept them in that form and directed that separate blanks be filled out for ward and district nominations. Messrs. Mahon and Casey made out the new blanks and in so doing made Messrs. Hewitt and Keegan the nominees for the district election offices in the First district.

This act, Mr. Regan says, was improper and he threatens to prosecute Messrs. Mahon and Casey for perjury in falsely swearing that Hewitt and Keegan were the nominees of the caucus.

Messrs. Mahon and Casey, on the other hand say they are not only ready but anxious that the matter should be taken into court. It was Mr. Regan, they claim, who committed the wrong, by returning White and Ryan as the nominees.

It appears that White and Ryan had no apparent opposition and that the ballots were not counted for those offices. To Mr. Regan's charge that Hewitt and Keegan were not even balloted for Messrs. Mahon and Casey answer that they are ready to swear that they themselves voted for Hewitt and Keegan and that Hewitt and Keegan were duly elected.

GOOD INVESTMENTS.
